The image features a dark, starry space background. A prominent, colorful galaxy with yellow, orange, and red hues is visible in the center. Overlaid on this are several geometric shapes constructed from small, bright blue dots. These shapes include a large central figure resembling a stylized 'H' or a pair of vertical bars connected at the top and bottom, and various smaller shapes like circles, squares, and triangles scattered around. The text is centered in a white, cursive font.

*I am as old as time, never falter, never let die, I am Love.*

*Never will I let Love die, for I will die.*
